News from the June Show

**Next Show: July 19, 2008 @ 3pm. Don't
forget this is a Saturday.**

- We had a very exciting day at Plantation Equestrian Center. SFBRA would like to start with letting everyone know that Dallas has a broken leg. She is in a cast however, she is tough and will bounce right back.
- SFBRA needs updated coggins. Please bring a copy of your coggins to place in our files. Thanks
- We are at the half way point now. All members should have atleast 4 hours by the next show. Please check with Shelly, secretary. For those of you that have all your hours already, we appreciate your help. For those of you that need hours, please do not let the same people each month continue to earn hours when they do not need to. Come to the office and ask a board member what needs to be done.
- Please keep track of your points. Your President is only human and does make mistakes. If you feel there is an error in your points bring it to DeeDee's attention and she will go over it with you and fix if there are any mistakes.

- We are going to be bringing back the silent auction this month. Please bring items from home. For every item you bring you receive 20 minutes towards your hours.
- A green halter, black lead line and green hay net were raffled off and won by Heather Riley. Thanks for participating.
- We need members please see the home page for the flyer. Please help us out by printing out a copy of the flyer and posting it at near by barns and feed stores. Remember, membership is half off, as of this month.
- FINALLY: Thanks to our sponsors. Please check the sponsor page and use their services. Our sponsors are so helpful each year in helping us start the circuit.
