News from the March Show

Next Show: April 27, 2008 @ 11am

- We really lucked out and beat the rain. Remember, if it does rain we still run unless the lightning alarm goes off. In that case we will wait for an hour and a half for okay to run alarm lets us know. After, an hour and a half the show will be cancelled. Anyone present at that show will be able to run for double points the following show.
- Welcome to our new members. Hope you had fun and hope you will return next month.
- Ask your friends to come and join the fun. The more members the better the competition. The better the competition, the more fun we have.
- Please keep track of your points. Your President is only human and does make mistakes. If you feel there is an error in your points bring it to DeeDee's attention and she will go over it with you and fix if there are any mistakes.
- Don't forget to play the 50/50 this year. Taylor Walker won \$46.50 and SFBRA received the other half towards the end of the year awards.

- A Jacket and Visor were raffled off and won by Shayna Greenberger.
- Next month we would like to do the silent auction. We need donations to put in the silent auction. Every item a member brings SFBRA will give them 20 minutes towards their hours.
- We only had 2 riders in lead line and no 8 and under riders. SFBRA is going to have to combine the classes.
- Thanks to everyone who helped during the show. Remember, by helping to keep the show running smoothly, you are earning hours. All riders must have their 8 hours by the end of the October show. No exceptions.
- FINALLY: Thanks to our sponsors. Please check the sponsor page and use their services. Our sponsors are so helpful each year in helping us start the circuit.
